Council Is Pressed For Concrete Stand On Muni Service

Does Daly City want to retain San Francisco municipal railway bus service?

That was the $64 question asked Monday night by representatives of three outside transit firms appearing before the council's three-man transportation committee composed of Chairman Sanford Vickers, Del Wilson and Micheal De Bernardi.

J. W. Walsh, representative of jitney association, told the committee, "This is the last time we will come up here unless the council decides definitely what they want. We will not submit a proposal until that time."

A. R. Lynn, appearing for Peninsula Bus Lines, echoed similar sentiments about the council's lack of a decisive stand, but did submit a map outlining his proposed route, as did Burt Perkins, another private operator seeking to provide service in the Broadmoor-Westlake area.

Muni "Politics"

The transportation companies all maintained that San Francisco public utilities action last week in postponing abandonment of the No. 56 and No. 76 buses for six and two months, respectively, was just a "political" delay.

"As I see it the muni is going to get out soon. They're just playing 'footsie' with you people," said Lynn, adding that, "I don't see much point in submitting a plan if you want muni service."

"I agree," Perkins commented. Perkins claimed he had inside information that the No. 76 line would soon be reduced to provide service only as far as Alemany and Ashland in Westlake.

Later, however, Jack Kendree, representing Henry Doelger Builder, Inc., who is currently subsidizing any losses on the No. 76, told THE RECORD, "under no circumstances has any decision been developed to stop the bus at Ashland."

Passenger Survey

He said a passenger survey was in progress, the results of which would determine the new route to be launched by Doelger. Inasmuch as Doelger is subsidizing the bus losses up to $600 a month for two months, he has been given tacit approval by the PUC to map the route as he sees fit during the two-month trial period the PUC has granted.

Asked by the committee for his personal viewpoint on the transportation situation, Dan Andersen, city administrator, thanked the chairman, stating, "In the two years I've been negotiating the transportation problem this is the first time anybody's ever asked my opinion."

He held that continuation of municipal service was Daly City's best bet, maintaining that the muni is solvent, has the necessary equipment and manpower.

He charged that if the jitneys didn't find their operation here profitable, they would pull out within a few months, leaving the city without any transportation.

Financially "Shaky"

Peninsula Bus Lines vehicles, he charged, were in "pretty rough shape." Perkins venture, Andersen said, appeared shaky in view of Perkins financial statement.

The two bus firms countered that it would be up to the scrutiny of the state PUC to determine whether they were able to oper-

$5500 Fire Damages

Three Daly City fire engines raced to 159 East Vista Monday night as flames ravaged the basement and one bedroom of a two-story home. While the Elliott Roots and their two children prepared for dinner at 6:30 p.m. fire from an undetermined source caused an estimated $5500 damage.

The garage worker and his family rushed from the house as the fire spread. Engines 1, 2 and 4 answered the three-alarmer. According to Chief Elmer Kennedy, fireman Wayne Alexander suffered minor harm from smoke. Resuscitator treatment was not necessary.

Since the basement was ruined completely by fire, cause of the blaze could not be determined. Kennedy theorized that the motorcycle purchased that day by Root may have been a causal factor. Besides a water heater, paint thinner also was stored in the basement.

Mr. and Mrs. Root and their children are in residence at a Mission street motel temporarily.

Millbrae Man Tallies Five Cars In One Blow

Five out-of-town motorists were involved in the same accident on Junipero Serra boulevard near Knowles over the weekend. The rear-end collisions occurred when Marian Fruhling of Millbrae hit the rear bumper of the vehicle driven by Geneva Shook of San Mateo. The cars were travelling north on Junipero Serra. The Millbrae motorists was cited for following too closely.

A double citation was handed John Writesman, 1112 Rhinette Sunday night. His vehicle struck that operated by George Fullingim, 609 Hillside. Writesman was cited for speeding and violating right of way.

Daly City's new city manager, HOWARD STITES, has a daughter, MARTHA LOUISE, who is an Atomic Energy Commission researcher at UCLA.

Add data: Stites is an orchid enthusiast, which should put Daly City Garden club on his side right away.

LOMBARDI'S Auto Service is now known as Westlake Service. Building at 6498 Mission and towtrucks sported the new insignia almost overnight.

Lots of activity reported Monday night at the Lombardi residence on School street, where Lombardi, apparently, doesn't live any more.

A revelation that will knock tax payers on their heels:

The $500,000 sewage treatment plant off Lake Merced boulevard, just nearing completion, will be outmoded in five years because of increasing growth.

At least two local citizens had thunder-bird's eye views of last weekend's A-bomb blast in Las Vegas.

DAVE and JACKIE MALINOFF, 108 San Diego avenue, were in the gaming city when the A-boom went off, describing it as "out of this world," which probably is more truth than fiction.

The heisting of $2259 from Compton's in Westlake November 28 is becoming Daly City version of the Great Brink's robbery.

Still no clues.

NO LIQUOR AT CENTER POLICY HELD BY COUNCIL

The city council held firm in its "no hard-liquor" policy at the community center Monday night.

The stand was in accordance with an earlier recommendation from the recreation commission, present at Monday's meeting.

Fire Chief Elmer Kennedy, appearing on behalf of the Widows and Orphans association, asked that the council make known its stand so that his group could make plans for their annual fund-raising ball. The chief pointed out that if his group is not allowed to sell hard drinks, the widows and orphans insurance policy would have to be reduced. Proceeds of the annual dance are used to pay premiums on the policy.

Kennedy said, "Many other groups are also interested in the council's policy."

Councilman Edward Dennis interrupted to state that, "A former councilman is spreading rumors that we are trying to stop certain groups from getting liquor licenses. This is not true." Dennis claimed that several firemen had heard the rumor, but three volunteer firemen on hand at the meeting denied any knowledge of the alleged statements.

Ed Cavagnaro, recreation commission chairman, said that when the community center was fully completed, "Maybe we'll make a different view on the sale of hard liquor."

Councilman Sanford Vickers said the city and civic groups might be subject to considerable embarassment if the board of equalization ever staged a raid at the center and apprehended minors purchasing or consuming drinks. "We're doing this for their own good," he added.

Center Completion Asked At Meeting

Completion of Daly City's community center was urged Monday night at a joint meeting of the city council and recreation commission.

Commenting that Mario J. Ciampi, architect on the job, had estimated completion cost at $40,000, Edmund Cavagnaro, chairman of the commission, said, "That sounds like far too much to finish two rooms. Do we have to have Ciampi complete the center?"

Mrs. Gordon Carlson, member of the commission, suggested that Daly City investigate the possibility of completing the job under Ciampi, since he has the final plans.

Cavagnaro asked that the council get a definite statement from Ciampi on what completion of the building would cost.

Hillsiders To Protest New Tract

Claims Lagomarsino Homes Non-Conforming

Members of the Hillside Homeowners Improvement association and Atlanta street residents will be out in full strength Monday night when the city council considers Ricco Lagomarsino's plan to re-subdivide two blocks in southern Daly City.

Verbal volleys were silenced temporarily Tuesday night when the planning commission approved the request. In a last ditch effort the homeowners will try for the council's rejection of the builder's request.

The association and residents failed to halt the planning commissioners approval at the special meeting this week. Lawrence E. Murray, 532 Atlanta, told the group that it was "unwise to change the street due to drainage problems." Henry Muhling, 508 Atlanta, backed up Murray and added his opinion that the proposal would incur "hazards."

Last November Lagomarsino presented the commission with a rough draft of his plan affecting two blocks east of Atlanta bounded by Chester and Hoffman streets.

Defense

To statements by the residents, Lagomarsino re-affirmed his pledge to make any drainage changes labeled necessary by the city engineer. Another objection raised by homeowners takes an aesthetic turn. According to Joseph Schultz, 548 Atlanta, the re-subdivision would "not conform to the community's pattern."

At a recent city council meeting, Lagomarsino charged a five-month delay on his plan by the commission. At that time he stated he would erect fences. Residents had claimed that his re-subdivision proposal would force the homeowners to view one anothers backyards.

Repudiates Delay Charge

A letter from Val Franz, now on leave as chairman of the planning commission, repudiated the builder's delay charge. According to Franz, Lagomarsino presented a rough draft of the plan on November 9 last year. He was asked to submit a formal letter and plan at the December 21 session. At that time no action was taken by the group. The builder had not submitted the required data.

The commission met again on January 1. No plan was submitted. On February 8 the proposal was again on the agenda. At that time the builder discussed his request with representatives of the Hillside Homeowners. A special meeting was called for February 14.

February 14 the group deferred decision until March 8 so that further study could be made.

$33,557 Remaining In Water Bond Fund

There is $33,557 remaining in the water bond fund Gus Ford, water superintendent, told the council Monday night.

This constitutes balance of the $390,000 voted by Daly City residents in 1952 for water improvement projects.

Ford listed several priority projects which he would like to complete with money remaining, including extension of line across 88th street and pipe installations on County street.

The water superintendent also recommended that council proceed immediately with selection of site for Westlake Reservoir No. 3.

Group Approves Retiring Of Police Badges, Number

The police commission approved a recommendation to begin retiring police badges and numbers as members of the department finish thier service. On Tuesday night the commission decided to initiate the policy with the retirement of Sergeant Bill Bolger, pending the city council's OK. Also the commission will ask that the word "retired" be stamped across the refinished badges. In the past, a new badge has been presented to retiring police officers.

In other action, the group concurred with a suggestion by Chief R. A. Petrocchi to place arterial stops at Wellington and Brunswick immediately.

Sergeant August Benassini and officer Richard Phillips were commended for speed and efficiency in performance of duty in a letter from Geraldine Tregenza, 267 Glenwood.

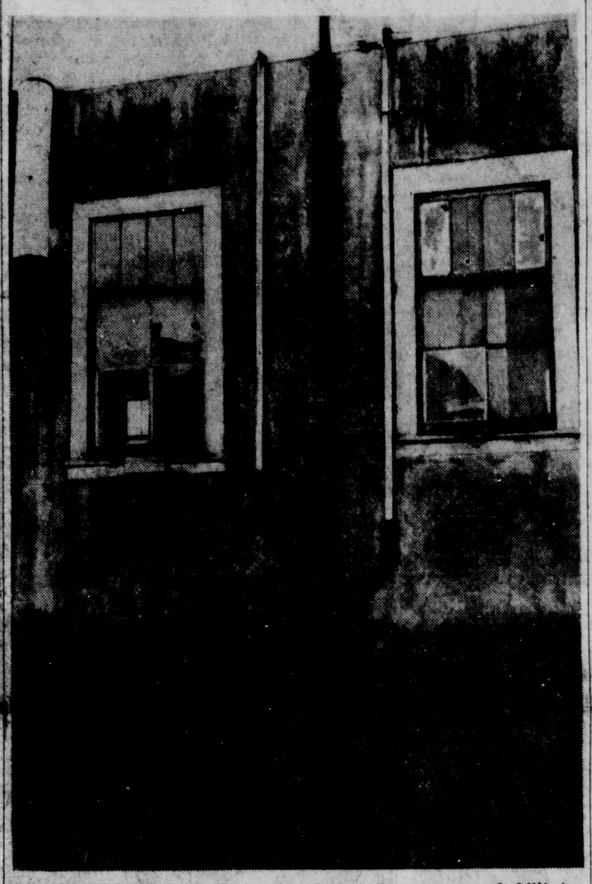
Stites, Redding Man, Named DC Manager



PUBLIC NUISANCE is the legal terminology used to describe the building at 96 Mission Circle, which has been under scrutiny of the building inspector for nearly three years. Patience exhausted after numerous but futile efforts to have owners rehabilitate the two-story wood frame structure, city council has initiated abatement action to have the building demolished.

THE RECORD photo

Howard I. Stites, 54, a 26-year veteran in public administration, was named city manager at a special Daly City council press conference held Wednesday.

He will take over the newly-created position April 8 at an annual salary of $13,000, nearly $6000 more than that currently received by City Administrator Dan Andersen, who will leave his post on Stites arrival.

Stites is married, has two daughters and a son. He comes with high recommendations from Burbank and Redding, where he served a combined total of 26 years in public administration.

Since 1952, Stites has been city manager of Redding, Calif., a community of 12,000. Prior to that he held the same capacity with Burbank, Calif., which has a population in excess of 90,000.

Starts As Engineer

He started with the city of Burbank as city engineer in 1929, holding that position until 1931. At that time he was appointed city manager and city engineer, a combination post he held until 1942, when named full-time city manager.

Stites professional activities include: registered civil engineer and land surveyor; member American Society of Civil Engineers; City and County Engineers association, director, 1932-1942, secretary, 1932, vice president, 1933, president, 1934; League of California Cities, director, 1937-1938, secretary, 1934, vice president, 1935, and president, 1936; member International City Managers association; president Metropolitan transportation engineering board, 1950-1952; one of 12 city managers loaned to the United States government for Lanham act survey to determine municipal war needs, 1942; member governmental administrative group, 1944-1952.

Stites has been active in Kiwanis club, Rotary club, California Orchid society, American Orchid society, Boy Scouts, Girl Scouts and American Legion.

His education includes two years civil engineering study at University of Maryland and four years at University of California at Los Angeles, where he was graduated after pursuing civil engineering courses. Following graduation in 1924 he served five years as civil engineer in Los Angeles county.

High Recommendation

Stites received high recommendation from Howard Gardner, director of the League of California Cities, who said he was "one of the most able men in his field."

Appointment of Stites came after two months of study by the council, during which six managers

Postmaster Wins Ok Of U. S. Senate

Appointment of Vincent Murphy as Daly City postmaster was confirmed by the U. S. Senate Wednesday.

Murphy had been serving as acting postmaster since May, 1954, following his appointment a month earlier by Congressman J. Arthur Younger. Daly City post office was separated from the San Francisco operation at the time Murphy started his job.

Murphy, who lives at 516 Midway drive, Broadmoor, with his wife and two children, is the first career postal employee in the Western United States to win a postmaster position.

SIX TRUSTEE CANDIDATES RECOMMENDED

Six "qualified" candidates for the Jefferson Elementary School district board of trustees were named by the League for Better Schools at their meeting Wednesday night.

They were: Hartley Appleton, 1 El Portal way; Dr. Guido De Ghetaldi, 316 Northgate; Mrs. Lucille Moses, 177 Westlawn; Irvin Silberstein, 157 Wilshire, all of Westlake; and Henry Kraus (incumbent), 1743 Louvaine drive; and Grant Holman, 983 Foothill drive.

The League recommended all these persons as qualified and urged that they become candidates for the May 20 election, at which time two positions become vacant.

Terms of Kraus and Mrs. Helen Cheatham, chairman, expire at that time.

Kraus, a member of the board one year, has already filed for re-election, while Mrs. Cheatham has announced she will not be a candidate. Mrs. Cheatham has served on the board six years.

The League qualifications committee, in recommending the candidates, said, "We are not in a position to act as a pressure group to elect a chosen few, but to seek out qualified persons and encourage them to become candidates for election."

Candidates were selected on the basis of qualifications criteria set up by the League.

Verdict On Hilltop Lodge Case Due Soon

Verdict on the Hilltop Lodge case, now before Malcolm Harris, acting head of the new alcoholic beverage control department, should be due any day, according to Thomas Gosland, local liquor control officer.

Hearing of alleged narcotics traffic at the Lodge, 22 Hillcrest drive, ended January 21, with the board of equalization seeking revocation of the night spot's liquor license.

Spill Blood In Big Paintbrush Robbery

Burglars at a construction site at 683 Florence may have taken the "do-it-yourself" fad too much to heart. They took paint brushes valued at $75 owned by San Mateo painting contractor C. N. Sturgis.

Over the weekend, person or persons unknown broke a window in the rear basement door. Upon entering, the culprit cut himself on jagged edges. According to police reports, a quantity of blood was found on the floor near the broken door.

SAFE BREAK FAILS; THIEVES COP CHECKS

When thieves failed to open a safe Wednesday at a 6100 Mission lumber company, they stole six payroll checks instead. According to latest police reports a woman tried to cash a check in a San Francisco clothing store the same day. She was frightened off by an over-delaying clerk.

Apparently, the burglary was committed between 6 p.m. and 7:30 a.m. Tuesday night and Wednesday morning. The thieves forced entry through a grilled window. The safe bore marks of a chisel and hammer. Creosote had been spilled on the floor.

At 11:05 a.m. a downtown San Francisco clothing store called the lumber company to verify an $84 payroll check drawn to Charles M. Dennis, 72 Escondido. It was one of the stolen checks. Outside the store's office a woman waited. As the clerk spoke to the lumber company man, she became nervous and suspicious.

By the time San Francisco police arrived the woman had skipped, leaving the check behind. The clerk provided the following description: 5' 7", dark, shoulder length hair, rosy cheeks, husky build, snug fitting light blue pullover with cardigan to match, elk skin, sandals, no stockings. San Francisco and Daly City officers are investigating.

Parking Authority Plan Goes To Council

Daly City parking authority Monday night approved final draft of a 16-page manual outlining parking problems and making recommendations for their solution.

The study will be forwarded to the city council for their action.

Five Persons Injured In J. S. Car Collision

Five persons suffered minor injuries Saturday following a two-car accident on Junipero Serra and Alemany boulevards. Driver Phyllis Jawinen of South San Francisco was cited for following too closely.

Suffering minor bruises were Jean Jawinen, Dorothy, Pat, Fred and Debra Puiello. The Jarwinen vehicle was travelling south on Junipero Serra when it struck a car operated by George E. Puiello of San Francisco.

Hannah Punctures Jeff Double Session Rumors

Rumors of a double session at Jefferson Union high school next fall were dispelled today by Stanford Hannah, superintendent. However, he admitted that classrooms would be crowded past capacity.

It has been theorized that inadequate facilities in the fall semester would force school authorities to declare double sessions at the high school. The rumors were based on the factor that Westmoor High scheduled completion is still a year away.

Urges DC Promotion On '56 GOP Confab

Advance promotional efforts in connection with the 1956 Republican convention here were urged Monday night by Councilman Sanford Vickers.

Vickers said Daly City and local civic organizations should start making plans now for the GOP confab to be held in San Mateo county's Cow Palace during fall of '56.

BUSINESS LICENSE COLLECTIONS GO TO CITY TREASURER

Transfer of business license collections from the police department to office of city treasurer was tentatively approved by the city council in study session Monday night.

Treasurer Paul Selmi, on hand at the meeting, agreed to the change.

Selmi's new duties will mean a wage increase, according to the council.

Sgt. Bill Bolger, now handling business license collections, will retire from the force March 31.

Council Pressed For Stand On Muni Service

ate here successfully.

Complicating the proceedings further, the "Verducci Plan" revealed recently was brought up as a possible solution. Lynn charged the plan was "not practical."

After two and half hours of debate, Committeeman De Bernardi moved that the bus company proposals be taken before the council and weighed against the current muni situation.

Proposed Routes

Following is the route proposed by Peninsula Bus Lines: Start at cemeteries in Colma, travel north up El Camino and Mission to Knowles, left on Knowles to the Junipero Serra interesection, return by the same route.

Perkins proposal was as follows: Start at Junipero Serra and 87th, travel up 87th, over Ashland into Westlake, east on Alemany to Junipero Serra-Knowles and north on Junipero Serra to West Portal.

The two services would allow inter-change of transfers, according to Perkins and Lynn.

Walsh said he would submit a proposal later if the council decided definitely that it wanted private transportation.

Gun-Slinger To Plea On March 22

Joseph J. Husack of San Bruno, who allegedly disrupted the tranquility of Ashland drive in Daly City February 26 with six shots from a pistol, will appear in municipal court March 22 to enter his plea.

Husack was charged with felonious assault with attempt to commit murder, firing a firearm in a dwelling, and felonious assault against Julia Lima, after he fired six shots into the home of Amil Magliocco, 160 Ashland, son-in-law of Mrs. Lima.

Apearing in municipal court yesterday, Husack was granted the continuance for entering plea.

In other action, Robert Furbee, 298 Westlake avenue, was found guilty of indecent exposure January 28 after a jury trial.

He was sentenced to 60 days in the county jail, suspended on condition he pay a $250 fine.

Chester Lee Williams, 6270 Mission, pleaded guilty to being drunk in a public place at a tavern on 6278 Mission and disturbing the peace in front of the tavern and his home on March 4. He was sentenced to 10 days in jail, suspended on condition he pay a $75 fine.

Dean Francis O'Connor, 60, of 226 Evergreen, racked up his fifth drunk conviction of the year after being picked up Wednesday in a Mission street bar, where he was snitching patrons' drinks.

Judge Thomas L. Bocci sentenced him to 10 days in the county jail, seven days of which would be suspended if he pays a $25 fine. This would allow O'Connor to be out of the clink in time for St. Patrick's day festivities.

Serra Theater Scene Of Police Interest

Daly City police were called following two mishaps at the Serra theater last Thursday and Friday. Leland R. Smith of San Francisco reported the theft of hub caps Thursday night while he was attending the theater. Person or persons unknown had pried off the caps while Smith watched the show.

The next night, police were called by the theater manager. He had apprehended a 15-year-old boy drinking liquor in front of the lobby drinking fountain. He admitted taking his father's liquor and transfering it to a small bottle. He was taken to Hillcrest Juvenile home.

Sponsor Second Annual Broadmoor Bike Race

Broadmoor and Sterling park youngsters under 16 years are warned to start practicing today. The Broadmoor Ladies Auxiliary of VFW is sponsoring the second annual bike race on March 20. All children owning bicycles registered with the Broadmoor police are eligible.

Last year William Brown of Sterling Park saw his name engraved on the Lombardi trophy. Racers will start at 1:30 p.m. on Washington between Sullivan and Sweetwood.

Youngsters will be classified according to their bike size. A tricycle race will be held for the kids up to four years. Racers are warned not to decorate bikes, as that will slow down speed. Judges of the event will be announced soon.

Sgt. Wood Again Acts As "Stork's Helper"

With a bit of luck and some surgical instruments, Sergeant Dean Wood aided Mrs. Joan Moore, R.N., in delivering an eight pound, nine ounce daughter of the Robert McCunes, 292 Westbrook avenue Friday.

Sgt. Wood answered an emergency call to police at approximately 7 p.m. The police ambulance didn't arrive until after the birth.

When Mrs. Robert McCune was unable to contact her family doctor, a next-door neighbor, Mrs. Moore, came in to help. The 28-year-old mother of another girl was reported doing nicely at UC hospital.

Navy Recruit-mobile Open For D. C. Business

Even the Navy is on wheels! At least as far as their new Mobile Recruiting unit is concerned. The unit, driven by petty officer 1st class William Sanders, is open 9 to 5 today (Friday) and tomorrow. It is located in front of the Daly City post office on Bepler street.

The mobile unit, composed of a tractor pulled van, has in it complete facilities for completing preliminary application for enlistment. Interviewing desks, a small testing cubicle and files of the necessary forms and documents are conveniently arranged.

Inside also are various displays and items of general interest, such as ordnance mock-ups, a large photo exhibit, ship models and a Sono-Vision machine to show continuous motion pictures of Navy life.

Available to answer questions pertaining to enlistment in the Navy under any of the various programs now open will be two Navy petty officers, William Sanders and Petty Officer First Class H. E. Ausborn.

Twelve per cent of the car owners in the United States have more than one car, according to the National Automobile Club.

ASK THE MAN

TO OPEN THE HOOD!

Ask: "Does this truck have a modern Short-Stroke V-8 engine?"

THIS YEAR the truck industry is beginning to follow Ford's lead to modern short-stroke V-8's. They last longer—prolong ring life up to 53%! Save up to one gallon of gas in seven! But ONLY FORD has four V-8's . . . one for every size truck in a full line . . . available right now!

Ford's got the most modern short-stroke SIX too! Ford's 118-h.p. *Cost Clipper* Six has the shortest piston stroke of *any* Truck Six! It's available in this new Ford Pickup, GVW 5,000 lbs., and all Ford Trucks through "2-ton" Series.

HOW TO TELL if it's a short-stroke engine: check the specifications! The "stroke" is always as short as, or shorter than the "bore."

Modern short-stroke V-8's are beginning to take over in trucks—*just as they've already done in passenger cars.* So, if *today* you buy a truck with *anything less* than a modern short-stroke engine, *what will happen to its ultimate trade-in value?* Play it safe! A NEW ERA IN RUNNING THE CITY

Appointment of a city manager by the council Wednesday marks a major step in Daly City's life as a municipality.

Selection of the man, Howard Stites, is a good indication that this innovation in government will be successful.

Stites is a career man in the manager field, having put in 24 years as manager of Burbank, a bustling city of nearly 100,000 population, and later serving admirably in Redding, which has a population of 12,000.

His appointment by the council was not a haphazard affair. The council set out to "seek the man for the job, not the job for the man" and they did so. Several months of personal interviews, background research and consultation with references was involved before making the decision.

Salary, naturally was a factor. Stites pay will be $13,000 annually. For benefits which can be derived from his knowledge of municipal administration, this sum could be paid back many-fold. Currently negotiations are underway to retain Stites as consulting engineer for the North San Mateo County Sanitation district. If these negotiations are successful, $1200 of Stites $13,000 salary will be paid by the district, meaning that the city will be expending only $11,800 a year for a top-notch manager.

That the council will cooperate in inaugurating this new form of government is evident by the unanimity of their choice.

The mere existence of manager form of government, however, does not mean that the city is going to witness any sweeping changes in either personnel or methods.

Establishment of this form of government will come as a transition. The new manager will have to orient himself. If he feels certain departments and methods are not operating in a satisfactory manner, it will be up to him to make the changes. Success of the manager system rests on allocating the manager full reign over administrative affairs.

There will be opposition from some fronts to any and all changes made by the manager. This is to be expected.

It is traditionally one of the qualities of a manager that he can make decisions objectively for the benefit of the city, and let the chips fall where they may.

We are looking forward to witnessing a new era in the business of running Daly City's government.

TV Tidbits

By Gloria Lorenzo

Academy Award time is just around the corner, Wednesday, March 30, in fact. TV camera crews will cover the event from motion picture studios, supper clubs and hotels. Thus the American public takes part in the gala evening.

Since its inception on May 4, 1927, the Academy of Motion Picture Arts and Sciences has as its policy-making body a Board of Governors. Their policy has not been to allow the public to choose winners of Academy Awards. This week THE RECORD will conduct a poll as to the reader's choice in picking the winners.

Send Us Your Choice

Below are listed the nominations, each numbered. Jot down the numbers of your choices for the winners of the various classifications and mail to THE RECORD, 3317 San Jose avenue.

Name Mateo Veep In United Crusade

Harry M. Bardt, vice president and senior trust officer of the Bank of America, San Francisco, has been appointed to serve as a vice president of the United Crusade of San Mateo county for the 1955 campaign.

Bardt has been affiliated with the Bank of America for 27 years and head of its trust department for the past eight years. Prior to that he headed the bank's trust department in southern California seven years.

He attended the University of San Francisco, graduating in 1927 with a degree of L.L.B., and is now active in the San Francisco Chamber of Commerce and San Francisco Foundation. He is also a member of the Los Angeles Stock Exchange club, Los Angeles Country club, San Francisco Commercial club, Peninsula Golf and Country Club and the Commonwealth club of San Francisco. He became a resident of Hillsborough in April, 1950, after living in Los Angeles for 16 years.

My Mad World

By Leonore Brewer

The latest Japanese import, "Gate of Hell," the first Japanese film in color to be shown in the United States, opened Friday at the Stage Door. Last year at the International Film Festival at Cannes it was awarded the Grand Prix, and it has been greeted with such lavish praise wherever it has been shown that one wonders just what more can be said.

It is photographed in Eastman Color which can be dramatic without being garish, and from the elaborate scrolls of the opening scene till the last shot, showing a distant figure entering the "Gate of Hell," it is like a series of great paintings to which one can return again and again, finding fresh beauty at each viewing.

Japan's Remote Past

The story is laid in Japan's remote past, during one of the innumerable civil wars, and tells of the obsessive love of the samurai, Moritoh, for the Lady Kesa, wife of Wataru. As she does not return his love, it results in tragedy in the grand manner, with Kesa sacrificing herself to save her husband from the sword of Moritoh. The samurai is forgiven by the noble Wataru, and after ritually cropping his hair is last seen entering the monastery.

The acting is in the Kabuki style, formal, restrained, with sudden outbursts of rage and passion which illuminate the scenes like lightning. The musical score is effective without being overwhelming. The Koto, which resembles an elongated dulcimer, has a prominent place in one or two scenes, and the tolling of a bell contributes to the feeling of inevitable tragedy in the scene where Moritoh with murder and lust in his heart strides across the fields toward the house of his victim.

Artistic Gem

We would recommend that you catch the early show, if possible. "Gate of Hell" is an artistic gem, and anyone who says that art just doesn't pay at the box office hasn't seen the crowds lining up at the Stage Door recently.

We understand that plans have been made for a Japanese Film Festival to be held in Paris, probably in June. Since Japan plans to boost the export of their films and since the United States can provide a vast market for them, why doesn't someone do something about organizing a Festival here? In San Francisco.

Talking about crowds reminds us of the Curran. That long line you see (it seems to be there day and night) is for "Teahouse of the August Moon." What with the opera, concert activities, gems like "Gate of Hell" and one thing or another, we are taking advantage of its long run and will see it a little later on. If you plan to see it, better plan ahead. Don't count on being able to stroll up to the box office about 8:15 to pick up two for tonight.

March 15 brings Jascha Heifetz to the Opera House. People are fond of saying that the prodigy never amounts to much. Heifetz made his debut at the age of seven, and has been one of the great names in music longer than I can remember. He brings with him two of the greatest violins ever made, the "David" Guarnerius made in 1742 and the "Dolphin" Stradivarius, dated 1714. His program includes sonatas by Mozart, Brahms and Bloch, as well as the "Carmen" fantasy by Bizet-Waxman.

ATOMIC ATTACK

Daly City CD officials were shown a "black picture" of statistics last week by Harry Koch, county CD co-ordinator. Koch told them that seven cities, including Daly City, would join San Francisco evacuees in the event of an atomic attack. Koch sketched the atomic mushroom pancaking 100 miles in the stratosphere, contaminating the coast.

Quoting releases from the AEC and state civil defense organization, he described thousands of refugees clogging Bayshore, Skyline and El Camino highways. Koch told the officials that San Mateo county must now be considered an evacuation area along with San Francisco.

MORE TAXES

Board of supervisor chairman William Werder predicted a "considerable boost" in general county taxes last week. The tax boost announcement came following a request by county heads for 184 new employees for the 1955-6 fiscal year beginning July 1.

DOPE USER

Superior Judge Louis B. Dematteis imposed a state prison term on a marijuana user Tuesday, ignoring a probation department recommendation of a county. sentence and probation.

Thomas (The Chief) Martinez, 57, South San Francisco drew a 1 to 10 count. He is one of 11 persons picked up January 25 in the smashing of a north county and San Francisco dope ring.

ABANDON SITE

District board members were scheduled to discuss the abandonment of Coyote Point as a site for a unified campus of College of San Mateo Wednesday night. Investigation of four other sites have been conducted. Proposed are: lands west of the Peninsula Golf and Country club; Pulgas ridge near Skyline; acreage on the Mills estate; land near the Junior estates.

FLYING OCTOPUS

Dr. E. S. Heralds of "Science in Action" carried 40 pounds excess baggage when he took off from International airport at Mills field Monday. The baggage consisted of Arlene Mavoureen, a Half Moon Bay octopus. Arlene was to meet another Arlene — Francis — Wednesday over KRON.

SOUP SPREADS

Last week Campbell soup executives announced a million dollar plus processing plant to be located in lower county, coastside, south of Pescadero. The company has purchased 112 acres to house an estimated 75 homes and other buildings. Installation work has been tentatively scheduled for June. The plant will employ approximately 500 persons.

HOLD WAKE FOR POOR PETER PAN

"PETER PAN"-demonium enraptured an estimated 40 million assorted children and grownup children Monday night. At least Mary Martin's interpretation did.

The Televiewer was not the only one a bit disappointed in the highly touted program labeled by critics as "spectacular spectacular" and "milestone."

Mary Martin's warmth and charm could not fill the awful gap of superficiality in Sir James Barrie's fantasy about lost boys in Never-neverland. There is an indefinable quality about the legitimate theater that cannot be captured on a TV stage. Perhaps that was the marring factor.

Certainly the ever-present, long, long commercials were disturbing blotches on the 120-minute phantasmagoric presentation.

And, too, the full impact of the color was lost on the Televiewer's black and white set. Everything considered, the Producer's Showcase vehicle was NOT all it should have been.

The songs were delightful, especially "Distant Melody" and "I Won't Grow Up." Cyril Richard gave a commendable Mr. Darling and "swine-iest" Captain Hook. Peter Pan's reception was colored with over-advertising. It's after-effect leaves a so-what attitude.

On the whole, the 120 minutes were like being promised a chocolate eclair and being handed a dab of chocolate, a pastry shell and a little melting cream.

Still it did set a precedent in bringing a play just off Broadway to the television audience. I hope that others will follow. Without trying for a commercial marathon record.

Read Luke 17:12-19

He (Jesus) said until him, Arise, go thy way: thy faith hath made thee whole. (Luke 17:19.)

In the dark days of 1942, a well-known publication asked me for an expression of my faith. The faith I voiced at that time was proven justified.

We are facing rather similar problems of detailed planning and organization in order to win the peace of the world. My faith remains the same. We should recognize these times as a period of tribulation. They should inspire us to re-examine our faith and re-establish our convictions in accordance with the spirit of God and His will for our lives.

The three beliefs which are of greatest importance to us who aspire to real peace throughout the world are these: We must have a genuine trust in God—in the power of His goodness, which by its very nature is bound to be victorious. We must have a full confidence in the Golden Rule—the fundamental ethical principle for human relations. We must have a firm reliance on the soundness of the principles of Christian democracy based on God's teachings regarding the worth of each individual person.

PRAYER

Heavenly Father, we thank Thee for the many evidences of the power of Thy goodness. We rejoice in our faith in Thee. Help us to continue developing this faith, applying it fully in all fields of our endeavor. In Christ's name. Amen.

THOUGHT FOR THE DAY

We need a strong faith in God and conviction that we are working together with Him.

J. C. Penny (New York)

EDITORIALS - FEATURES - COLUMNS

Library Group

In June and July of 1952, the city council appointed four commissions to further good government and municipal activity in Daly City. Serving in an advisory capacity, commissions on police, recreation, planning and the library were created.

This being state library week THE RECORD brings to its readers this special feature on the activities of its library commission. In July, 1952, the charter members of the commission for the first time gathered to recommend courses of action to insure a modern, progressive library.

Charter Members

Under the chairmanship of Henry Sunderman, Maude Hanselman, Wayne Carr, Margo Westgaard and Jack Marsicano were appointed to the original committee. They were civic-minded citizens interested in helping their local government.

Three charter members still serve on the commission, Maude Hanselman, housewife, Wayne Carr, insurance, and Margo Westgaard, a San Francisco State college librarian, continue to donate their time toward building a sound library program for Daly Citi-zens. "Newer" members are Dr. Lionel Farber, chemist, Lorraine Rollandi, D.C. librarian, and Jane Keith, RECORD columnist.

Commission Progress

On July 1, 1953, circulation was improved by extending library hours from 36½ to 62 hours a week. This greatly benefited students of the Jefferson elementary school district. Later, a provision was made to develop a story hour program for local children.

That program now includes library visits to the schools and by the schools to explain library services and instruction in use of the library to the children. The commission explored plans resulting in the Bookmobile, serving the Westlake area in particular.

Westlake Branch

The present commission has been meeting with a library consultant discussing plans for the Westlake branch. Last week the city council tentatively ok'd a $500 allocation for building plans of the Westlake branch on Fairway drive. Chairman Carr has declared that by preparing initial plans and hiring Doelger draftsmen designers the city saves several thousands in architect fees. Carr extended an invitation to all citizens to attend meetings on the second Wednesday of each month.

In addition to supervising local activities, the commission integrates local, county, state and even national programming to provide their community with a well-balanced, well-booked library to meet the needs of an ever-expanding city.

LIBRARY COMMISSION members pictured above are left to right, Lorraine Rollandi, librarian, Dr. Lionel Farber, Maude Hanselman, Wayne Carr, Margo Westgaard and Jane Keith. This commission was formed to aid the city government in an advisory capacity.

THE RECORD photo

Gen. George S. Patton Jr., Old Blood and Guts, was quite a guy. Colorful, brace, brilliant, loved and hated. And, with all of these facets, and more, a gourmet.

During the early days of World War I, was ordered to Ft. Benning, Ga., and assigned to Patton's Headquarters. It was some place! Efficient, fast moving, loaded with esprit and—running the show—there was Patton, pearl-handled pistols, ribbons and stars galore.

Because of his interest in food, he made certain that the messes, officers' and enlisted men's, were well run and served good food, even unusual food prepared with Army rations. The same held true of the clubs.

The officer's club was managed by a captain who in civilian life owned a famed eating spot in New York. The food was prepared and under his supervision and the chefs were real chefs, not GI-created ones.

In the early days of the Armored Force the officers club abounded with old-time Cavalry officers complete with boots and spurs.

They wanted to be distinctive and they were even to the extent of creating the Armored Diesel—a cocktail served in a small copper oil can, the type with the long spout. The bottom was cut off, the spout soldered to a base and, after being brilliantly polished, the top was adorned with the 2nd Armored Division metal insignia.

The secret of the drink served in this unique glass was zealously guarded, being locked in a huge wood-bound book that was chained to the bar. The Armored Diesel was quite a drink!

Whether you had lunch or dinner in these clubs you could always be assured that the food would be excellent and different. While there I garnered a few dessert recipes that were served time and again because of their simplicity, economy and distinctive taste. One I think you will like is:

Hell-On-Wheels Flambee

4 - 3 oz. packages cream cheese
1 pkg. Jello
2 egg yolks
2 tbsp. lemon juice
2 egg whites, stiffly beaten
1 cup grated graham crackers, flavored with 1¼ tsp. cinnamon
1 cup whipping cream
4 oz. rum or brandy (optional)

Prepare the Jello according to the directions on the box and stir in the lemon juice, egg yolks, and whipping cream. Chill in the ice box for about 30 minutes until the mixture begins to firm.

While this mixture is chilling, beat the cream cheese in an electric mixer until it is fluffy, then add the Jello mixture. Beat more, about 5 minutes, then fold in the beaten egg whites.

Butter a ring mold, sprinkle with the cracker crumbs, and pour the Jello mixture into the mold. Top with more crumbs, and place in the refrigerator for an hour.

When you are ready to serve the dessert, remove it from the mold, heat the rum or brandy, pour over the mixture and ignite. Serve flaming. If you omit the liquor, serve as it comes from the refrigerator.

Lime - Chocolate Pie Tornado

2 tbsp. lime juice
2/3 cup sugar
3 egg yolks
2 packages Lime Jello
3 egg whites
2 cups grated chocolate cookie crumbs
¼ cup whipping cream

Dissolve the Jello according to the directions on the box. Add to this the lime juice, sugar and egg yolks and beat until blended. Put mixture in refrigerator for about 30 minutes, or until it begins to set. Remove, add egg whites and beat in an electric mixer until fluffy.

Butter a pie pan, sprinkle with crumbs, then whipping cream and chill in refrigerator until ready to serve.

Safety News

"Traffic law violators are accident makers."

Chief of Police R. A. Petrocchi made this statement today and he backed it up with some convincing statistics.

"National Safety Council records show that in 1953, 82 per cent of the fatal accidents involved violation of traffic laws, by one or more drivers, Chief Petrocchi said. "These figures prove conclusively that traffic accidents don't happen, they are caused—and that they are often caused by wilful disobedience or carelessness.

Chief Petrocchi made this statement as he urged all drivers to cooperate with the know and obey traffic laws program which is being sponsered in Daly City this month by the Daly City Police department and the National Safety Council.

"We need the support of the whole community in building greater respect for law. The law enforcement agencies can't do the job alone. He pointed out that the time to stop an accident is before it happens. He said that in order to do this, drivers must know the law, A driver who doesn't know the law, even though he means well, can foul up traffic pretty badly, he said. And that goes for pedestrians too.

The chief advised pedestrians to know traffic laws, not only to know what is expected of them, but also so they will know what to expect from motorists.

The recklessness of pedestrians and motorists is aggravating the traffic accident problem. Until every citizen accepts his responsibility to walk and drive carefully we can't hope to cut down on traffic accidents.

News From Here & There

By Eleanor Doyle

Hi Folks:

Well, here it is . . . another week with more news from here and there. Remember, folks, the phone number is PL. 5-5419. Please call and give me the local chatter.

First order of business! Don't forget to buy your Girl Scout cookies. Now for the news!

Congratulations to FRANKIE BURGER who made his confirmation February 28 at Our Lady of Perpetual Help. A family get-together was held at the Burger home at 66 Abbott avenue. A good time was had by all.

A supperware party was given by MRS. ARTHUR MAHOOD at 169 Moltke. Sixteen of her friends and relatives attended. MRS. PAT McKay was the demonstrator. Games were played, prizes distributed. Sounds like it was lots of fun.

MR. AND MRS. SWARTSFAGER, 469 B street, Colma, were pleasantly surprised by a visit from Swartsfager's mother and father from Wyoming. They enjoyed a two week visit seeing all the sights and bright lights of our city.

CAROLINE CAMERON of 857 Hillside boulevard celebrated her 11th birthday by taking 10 friends to the Serra Theater after serving ice cream and cake at her home. A novel way to celebrate your birthday, Caroline. Our best wishes to you.

Another birthday greeting recipient! LINDA NOFZIGER, 544 Clark street, Colma, celebrated her 9th birthday on March 5.

Twelve of her friends attended a party and lots of fun was had by all.

In lieu of their usual Wednesday night meeting on March 2, the Friendly Neighbors of Abbott avenue took two members to dinner. Dining at Ripley's were MRS. PAULINE WALL and MRS. DIANE GRAVATT, leaving Daly City. Gifts were presented. All had an enjoyable evening.

We are happy to hear that MRS. M. HORN of the Hilltop cleaners is convalescing at her home following a serious operation. Keep up the good work—from your friends.

Can you top this! MRS. NAN CANTLEY, also of Hilltop cleaners, has given 23 pints of blood. A worthy person in my estimation.

Hope you have seen the display by the intermediate and senior scouts throughout the city. Prizes will be given for the best display.

A joint birthday party was held March 5 in honor of BOB KELLY and VIC GARCIA, both of Wyandotte. Eight couples helped them celebrate. Everyone had fun. We join them in wishing many more happy birthdays.

MRS. PAT RUIZ has joined the ranks of a working mother. She will be missed for one, by our Girl Scouts. She was their local cookie chairman and has done an excellent job. Also has been quite active in her little girl's Brownie troop.

It was nice to see, the JACK CAMBRIDGE'S who recently moved from our neighborhood back visiting their many friends.

The "TRAVELLING McNEALY'S" of Abbott avenue have been off again. Just returned from a trip to Lake county this time. They sure go places and do things.

Poor little GLORIA COMER! on her way from her home on Abbott avenue, she fell down her front stairs and was badly bruised. Glad to hear there were no broken bones. She was on her way to do her good deed for the Girl Scout cookie drive.

Our hearty congratulations to DON LESHER of Castle street who was installed as president of the Hillside Homeowner Improvement association. Lesher has been very active in the Colma PTA as well as many other organizations. A fine civic leader!

The annual dinner dance of the volunteer fire department of Colma was held last Saturday at the Colma firehouse. Approximately 60 attended the affair and all had a wonderful time till the wee hours.

Seen last week at the new Casa Ray for luncheon was Mrs. Adolph Silvestri and family of Werner avenue.

Oh yes! Belated birthday wishes to some of our dads—BUD KIRBY and BILL COONEY, both of Abbott avenue.

Well, neighbors, goodbye for this week with News From Here and There. Don't forget to phone PL. 5-5419.

E PLURIBUS UNUM

During 1953, Russia imported one, only one, U. S. built automobile, reports the California State Automobile Association.

Tickets Available For Jeff Play; Students Preparing Senior Tea

Tickets are still available for Thornton Wilder's "Our Town" being presented by Jefferson Union High school students on March 18. Miss Eunice Seaton is the director.

Delegate

Ann Bergstresser was named Jeff delegate to Girl's State to be held June 22-29 in Sacramento. The winner, Ann, was selected by the faculty from the girls chosen by the girls of the junior class. Other girls nominated were Jackie Baher, Margaret O'Brien, Laurel Smith, and Cecile Stickney. Girls' State is sponsored yearly by the American Legion Auxiliary to give outstanding girls an opportunity to learn more about democratic processes.

Senior Tea

The homemaking classes at Jefferson are busy preparing for the annual Senior Tea to be held in the new cafeteria the afternoon of March 17 from two until three. Invitations to the mothers of all seniors, both boy and girls, have been sent, and the mothers are urged to be present at this pleasant afternoon.

The advanced and first year cooking classes are preparing the food under the direction of Mrs. Mary Louise Breithaupt and Miss Elizabeth Jones. Sandra Rossio and Barbara Fair are decorating the napkins, under the direction of Mrs. Louise Brent. The invitations were planned by Peggy Sorenson and Elaine Ball with the help of Mrs. Marjorie A. Reandeau.

While the mothers and senior girls are enjoying the food prepared, they will be entertained by music provided by Alfred Runnell's orchestra. Decorations will be done by the girls from the sewing classes.

The inner court at Jefferson has taken on a new appearance this week with the planting of many flowering trees and shrubs. Camellias, rhododendrons, and roses are among the plants which have added to the beauty of the school.

A subject of curious discussion around school is the name for the Tom Tom dance, "Lirpa Loof." Because the dance falls so close to April Fool's Day, the staff has chosen that day for the theme: now read from right to left! The dance, which will feature a balloon drop and other novelties, will be stag.

Boys in the Consumer Education class taught by Mrs. Mary Louise Breithaupt will have an opportunity during the next week to observe children at several nursery schools in the Daly City area. The students have prepared questions to ask and will observe the children and report their observations.

Mothers Club Plans Saint Patrick's Day Luncheon

The Mother's club of the Church of the Visitacion will hold a Saint Patrick's day luncheon on March 19 at 12 noon. The affair will be held in the church hall at 655 Sunnydale avenue.

The Rita Layne studio will provide entertainment. Angelina F. Power, publicity, announces there will be prizes, gifts and fun for all. The public is invited to attend. Donation $1.25.

Sheridan PTA Plans Tuesday Lunch, Vote

Members of the Sheridan PTA executive board will be hostesses at the dessert luncheon meeting at 12:30 p.m. Tuesday in the school auditorium. Following the luncheon, the monthly meeting will feature Mrs. Altman, San Francisco nutrition representative. Also scheduled are the nominations and election of officers.

More Papers And Money Last Month Says County

Even though there was more paper work at the office of the county recorder during February, it wasn't caused by an upsurge in marriage licenses. Ruth Kirste reports 111 altar-bound couples signed papers, opposed to 110 in 1954. The office handled 7067 papers as against 5607 in 1954, same period. More money came in February 1954 — $16,863.25, compared with $13,107.55 in 1953.

Girl Scout Troop 9 Elects Officers

Girl Scout troop number 9 meets every Monday night at the home of their leader, Mrs. A. E. North, 439 Willits street. Last week they elected the following officers: president, Sherrill Klingler; vice-president, Diana Strubel; secretary, Norma Ann North; treasurer, Dona Phelps; monitor, Mary Alice Olson; color bearers, Linda Angle and Mary Ellen Unger.

The troop is taking skating lessons every Tuesday afternoon after school at Skateland at the Beach to earn their skating badge. As March 6 starts Girl Scout week, whole troop together attended the Vista Grande Christian church. They were accompanied by Mr. and Mrs. Melvin Olson and Mr. and Mrs. A. E. North. The girls are busy selling Girl Scout cookies and nuts.

PEEPING TOM IS REPORTED HERE

From 199 Frankfort street came the report of a peeping tom last Saturday. According to police, John Christiansen, 70-year-old box maker, was watching TV with his family at 10:15 p.m. when they heard a thud on the east side of the house.

Upon investigation, a ladder was found on the ground, three cobblestones were stacked under the living room window. A male figure was seen running north down the street. The peeping tom was apparently a boy.

Woodrow PTA Maps Faculty Luncheon

On March 1, the executive board of the Woodrow Wilson PTA met at the home of Mrs. S. Davies. Plans were made for the forthcoming faculty luncheon, to be held March 11.

The next regular PTA meeting will be held Tuesday, March 15, at 1:15 p.m. At that time a panel discussion will take place. The subject will be, "Budget and Finance in the Home." Mrs. Charles Ellis, parent education chairman of the 17th district CCPT will be moderator and will discuss the subject from the PTA level.

Mrs. Ruth Mayo, homemaking teacher of Colma school will give the school interpretation. Mr. D. D. Harris, manager of the Daly City Bank of America, will give the financial viewpoint. Mrs. H. Ashton will represent the parents and will give their point of view.

Following the panel discussion Miss McHugh's third grade will present a demonstration of the subject.

There will be a report from the nominating committee, followed by election of officers. The theme of this month's meeting is "PTA gets a New Look."

Census Bureau Asks Questions On Housing

A national survey to determine the rate of housing vacancies will be conducted beginning in March by the U. S. census bureau, according to supervisor Walter A. Freeman Jr. of the bureau's district office at San Francisco, California which will participate in the collection of the information.

The housing vacancy survey will be carried out in connection with the census bureau's current population survey which collects facts on employment and unemployment. Information to be collected about vacant dwelling units encountered in the 25-thousand-family current population survey sample panel includes number of rooms in each unit, rent asked, sales prices, whether the dwelling is a single-family or multi-family unit and whether or not it is available for seasonal or year-around occupancy.

The survey will be conducted locally and in 229 other areas of the country during the week of March 14.

CROCKER-ITES REPORT

Here is the latest classroom news from Crocker School as reported by the students.

Sixth Grade - Miss Connelly
Written by Kathleen Jacoby

Our school is getting ready for April and you all know that April is the Easter bunny month. We know that the Easter bunny is just an Easter spirit, but little children have fun in believing that is real with colorful eggs and all sorts of goodies.

We have decorated our school hall and have quite a few items such as book reports, book covers, "The Wind in the Willows," "The Owl and the Pussy Cat" "Alice in Wonderland," Paul Bunyan, Peter Pan, and all kinds of picture scenes.

We also are planning our dance for May Day. We have selected, "Parlez Vous" and the Swiss, "Weggis." We are teaching other classes dances that they would like to do. We cordially hope that you will come and see us on May 4, at 11 a.m. in the school yard.

We told you we were going to the Planetarium on February 24, and that we would report on our field trip. We saw the constellations, stars in the sky, the horizon and the moon and the sun. We thought the best part of the excursion was when the sky turned pitch black, then the stars began to come up and we felt as if we were in a rocket ship. Then the man said, "Merry Christmas" and told us that we had just watched the whole night of December 24, 1954, Christmas Eve.

On January 28, we had an election for class vice president—Tommy Torres was elected. We think he is a good vice president.

Sixth Grade - Miss Laury
Written by Susan Sciaroni

Our class is making notebooks on South America. We placed all of the South American countries on a map. For art we drew vases with South American designs on them. We also drew kites with faces on them. We are just finishing our study of astronomy. We are looking forward to studying pre-historic animals.

TRAFFIC LAWS

Legislators devised the traffic laws to help keep you out of trouble while driving, points out the National Automobile Club. If you try to cheat on these laws a little, you may be cheating yourself a lot.

Sea Scouts Ski Sonora Slopes

Mariner Ship No. 4 from Daly City joined South San Francisco Sea Explorer ship No. 76 for a weekend of snow fun on March 5 and 6 at the north county Girl Scout camp near Sonora, according to Mrs. J. D. Hansen, publicity.

For two days, 24 young people and 11 adults drove to the snowy slopes near Longbarn and Pinecrest for skiing and tobogganning. There was dancing Saturday night, and church on Sunday morning. The Mariners took over flag ceremonial duties Saturday, Sea Scouts on Sunday. "Scouts Own" was held on Sunday prior to the return trip home.

Attending were Skipper and Mrs. Ed Stewart, the John Hansens, Ray Tayors, Ralph Devlins and Don Hughes, adults; and members Mike Canihan, John Lepi, Jim Walezak, Garry Taylor, Dick Hughes, Lenny Frost, Leonard Lamendola. Also attending were Barbara Delucchi, Maurice McKee and Phil Delucchi.

Other members of the Daly City group are Ann Bergstresser, Barbara Cripps, Marguerite Cripps, Nancy Golladay, Drena Guaraldi, Carol Hansen, Jule Ann Halbrook, Maureen Kennedy, Barbara McCowan, Carole McInereney, Claudine McKee, Donna Odell, Audrey Stewart, Sharleen Taylor, Sherry Taylor and Arlene Hansen.

Reprimand Bike Boy

A thirteen year old Daly City boy was reprimanded and released in the custoday of his parents last week after he was arrested while reportedly burying a stolen bike.

He was picked up on Como and Mission after police received a report that a boy was burying a bike at that address. The youth admitted taking the racing bicycle from an alleyway near Como and Hillside. He confessed to the theft of two used batteries from a used car lot on Mission and Como approximately three months ago. He named two accomplices.

SCHOOL BUSES IN ACCIDENTS

There were 49 traffic accidents involving school buses in California during December, 1954, according to the National Automobile Club. Four children were injured in these accidents.

VFW Ladies Auxiliary Observe St. Pat's Day

The ladies auxiliary to the VFW are serving a Saint Patrick's day luncheon at 12:30 p.m. March 17. A door prize will be given. Entertainment with games and prizes has been scheduled. The luncheon will be held at the Broadmoor community center, White and 87th street. The price is $1, the public is cordially invited.

Jefferson Teachers Join State Association

Mrs. Ethel Wood, president, announced yesterday the membership of the Jefferson classroom teachers association in the state group—California Teacher Association.

The charter will be presented at the annual dinner on May 6 by a CTA representative. The Jeff organization qualified with a 60% individual membership in the CTA. Following the May meeting, election of officers for the 1955-56 term will be held.

To Lunch At Pompeii

The women's faculty club of San Francisco State college will meet in the Pompeii restaurant, 545 Washington, March 18, at 12 o'clock. Following the luncheon there will be a tour of contemporary design studios, Jackson square.

Broadmoor Youth Is Student At St. Mary's

Erik E. Osterlund, son of Mr. and Mrs. Erik Osterlund of 1511 Sweetwood drive, Broadmoor, is among the new students who have registered for the spring semester at St. Mary's, according to Brother U. Cassian, F.S.C., dean of the college.

Osterlund, who was graduated from Sacred Heart High school in 1952, is following a business administration curriculum.

FRIDAY IS FUN NITE

The Jefferson classroom teacher's association are sponsoring a "fun night" Friday at Colma school. Chairman Dennis Huajardo promises a gay gathering. According to Mrs. Jane Watson, publicity, skits will be performed by both schools, with dancing and card games.

When the lights go blinkety-blink..

it's probably a sign of inadequate wiring!

There you are with the lights on bright—until somebody turns on an appliance. Suddenly, the lights do a quick flicker! This annoyance happens in four out of five homes. Because today's house has more lighting, more appliances than the wiring can provide with adequate current. (This is true even in new homes!) To get full power from the lighting and appliances you have now—or plan to add later—why not see a qualified electrical contractor about adequate wiring for your house?* New wiring as well as appliances can be financed on easy bank terms. *If you're building, ask for a "Certificate of Adequate Wiring"—proof of a first-class job.*

of the low-price 3!

BIGGEST SIZE, SMOOTHEST PERFORMANCE, HIGHEST ECONOMY

Take a turn at the wheel behind Plymouth's new PowerFlow 117 engine—see why it's the *smoothest, thriftiest* 6 in the lowest-price field. Here's power for all driving needs, plus the super-smoothness of the PowerFlow's Chrome-Sealed Action. No other low-price car has it, and it's your guarantee of more years of gas-saving economy and trouble-free performance.

Taxicab operators, who depend on cars for a living, buy more PowerFlow 6's than all other makes combined . . . they say the PowerFlow 117 is the most economical, most efficient 6 ever built! Its L-head design means fewer working parts, less friction. Its automatic choke meters each drop of fuel. Its bypass cooling system gives you quick warm-up in cold weather; dozens of other exclusive features promise you much lower operating expease.

The PowerFlow 117 engine is one big reason why the big swing this year is to the *forward-looking* Plymouth. Another is the new 167-hp Hy-Fire engine, the most powerful standard V-8 in Plymouth's field. Plan to drive a big, beautiful Plymouth with either of these two great powerplants soon—*how about today?*

ALL-NEW PLYMOUTH

Argus Of Colma School

TEENAGE QUANDRY. Do you think teenagers should go steady, have dates, or that the girls should wear make-up? That is a sample of the type of questions to be discussed at the Hillside PTA meeting on March 16.

The PTA is planning a parent-student panel to answer such questions.

On the Colma school student's side of the panel will be Patricia Palmer, Gary Cowden, Sandra Smith, Maria Bocci and Ron Kalinin.

Samuel Ziegler, Ilsa Berg, Harold Brown, Mrs. Ruth Brehm and Leroy Krueger plan to offer representative parent opinions.

DISCOVERING PERSONALITY THROUGH FOOD STUDIES. Are you a carrot, a baked potato, or perhaps a bowl of popcorn?

Recently, the children in Room 81 were trying to picture themselves as if they were different kinds of food in relation to their behaviorial actions and personality types. This proved lots of fun during a science period because it challenged the pupils imagination and permitted them to some objective thinking about themselves.

Miss Guadalupe Castillo, teacher of this unusual class, has kindly given Argus some of the eye-opening results. They are: Dean Harris—popcorn—because he is always popping off; Alvin Clemens—Hot Grease—because he has a high temper and always sputtering; Richard Reese—Clam—because he's so very quiet; Janet Le Pine—Milk Shake—because she's all mixed up ("Dig that crazy mixed-up Kid!"); Douglas Calvin—String Bean—because he's tall and lean; Mel Horne—A Baking Cake—because he's always rising out of his seat; David Johnson—Pork Sausage and Chili Sauce—because he's stuffed and has a hot temper; Pat Daniele—Marshmallow—because she's soft spoken and doesn't hurt anything; David Browdy—A Full Glass of Milk—because he look's as if he's eaten the perfect food; Loretta Vinson—a coconut—because it's hard to get anything out of her; Sherry Pollard—A Jumping Bean—because she's always bouncing out of her seat; John Brown—a Baked Potato—because when he gets too hot he explodes; Kathleen Miller—A Chicken—because she's always cackling; and Carolyn Opperman—Honey—because she's sweet and always busy at work.

The children came from this class with an increased knowledge of the values of food, and with a better awareness of their own personalities, as they appeared to others.

BRIGHT PROSPECTS. The C. G. A., Colma Girl's association, is going to sponsor a mother-daughter fashion show sometime during May.

They are preparing to model some clothes for the Emporium. They will also model some clothes made in the Home Economics classes of Mrs. Ruth Mayo and Mrs. Kay Tobkin. Someone from the Emporium will be the announcer. Argus is unable to get her name as yet but Argus will know and promises you, the reader, the name of this person by the next issue of this column.

Cookies and punch will be served as refreshments.

This is an event everyone should look forward to seeing and participating in.

ROBBINS RAMBLES. During their recent experiment in science, Mr. Edward's room, 43, had an explosion. The light bulb exploded from overheat. What's daylight for anyway—Have an eclipse???

Somebody goofed in the first column when they said Marilyn Garris is Business Manager of the yearbook. She's Assistant and Sharon Durbin is the real honest-to-goodness business manager. I think???

JUNIOR RED CROSS. Barbara Hanson is president of the Junior Red Cross and said they are making little dolls to send to foreign countries.

VICTOR. 31-24, those were the results of the "Colma vs. South San Francisco" basketball game Friday, February 20. If school spirit and backing of friends has very much to do with winning of games for one's own school, then the boys on the team (the COLMA team, of course) had no reason NOT to win. . . . Because just before the game, Mr. Alfson, Colma's well-liked principal, was good enough to let the seventh and eighth grade students hold an assembly in the multi-purpose room. And WAS it fun! Andy Scalese, student body president, and Mr. Mendosa, coach of the basketball team, said what I guess is usually said at assemblys of that kind, but somehow it seemed just a LITTLE bit different. School spirit, I think it's called. David Dunbar and Ann Hyndman from Mr. Odd's dramatic class gave a couple of pantomines. VERY GOOD THEY WERE! The cheering section led all the students in two yells. The rally broke up and the boys were taken to the scene of their victory. . . . And our Trojans won over Santa Clara, too—Final Score was 28-27. . . Whew!

TEACHER HAS A TREAT. A surprise party was given Mrs. Langhorne, eighth grade teacher at Colma, recently. Heard from a real sly spy that it was a big success.

WE THE PUPILS PONDER. Why, oh, why doesn't a certain school district in this vicinity have an opaque projector when the money for one is just lying around and waiting to be used?

WALLS ARE FULL. An eighth grade class is working hard in government since the government test is due in May. Sandra Smith, Albert Martinelli, Fred Ercoline, Fred Reinere and Robert Tompkins helped to fill the walls of the class with projects such as a display of the federal court system, state court system, the organization of the United Nations, etc.

Germany-Based Soldier Is Graduated As Non-Com

Sgt. Robert Meier of Daly City recently was graduated from the Seventh army non-commissioned officer academy in Munich, Germany. A cable splicer assigned to the 317 Signal battalion's company C, he successfully completed a five-week course in leadership, map-reading, and other military subjects.

Meier enlisted in 1952 and completed basic training at Fort Lewis, Washington. He is the son of Mr. and Mrs. Robert Meier, 265 Los Banos avenue. The senior Meier retired March 1 after serving 27 years with the army. During World War II he served in Alaska as a chief warrant officer. Young Meier has a brother, Dick, now a freshman at Jefferson Union High school.

Joan Adams-Richardson Announce Engagement

Joan Elizabeth Adams, 31 Creston avenue, will wed John D. Richardson of Glendora following graduation at the University of California in June. A dinner party was given by the bride-elect's parents, Mr. and Mrs. Claude M. Adams, to announce the couple's engagement to family and friends.

Miss Adams passed a box of candy to other members of the Sigma Kappa sorority in revealing her wedding plans. She was presi- of the sorority in Fall '54.

Richardson is past president (Fall '54) of the Tau Kappa Epsilon fraternity at Berkeley. The bride-elect is affiliated with the Lynden branch of the East Bay Children's hospital.

Father of the bride-to-be returned here last year following nine years with the state department in Japan and Formosa.

JUST CALL HER THE EDGEMAR AIR HOSTESS

Most airlines passengers climb aboard, find their seats, settle down, fasten the safety belt and wait comfortably until the plane takes off. No so with a 9-year-old Edgemar miss, Patricia Sloane. She filled in as an assistant air hostess on a DC-7 United Air Lines New York to San Francisco flight. The regular hostess entered the plane at Chicago to take care of passengers flying to Mills airport. She deputized Miss Sloane as her assistant by placing her cap on the coastside girl's head.

Miss Sloane passed out gum to passengers as one of her jobs. She was returning home after a visit in Brooklyn with her maternal grandparents, the James Rehmbergs.

Also with the junior miss were her parents, Mr. and Mrs. Charles Sloane, and sisters, Maureen, 15; Charlotte, 13; and Helen, 2.

For the past two years the Sloane family have resided in Edgemar, prior to that they made their home in Brooklyn. Patricia and Charlotte are students at Pacific Manor. Maureen attends St. Paul's parochial school in San Francisco.

Jeff Elementary Students Tour City, Elect Officers

Mrs. Laisner's first graders at Jefferson annex are preparing for a jaunt to Coyote Point to tour the San Mateo county junior museum. They will have the opportunity to see the objects they learn about in science lessons.

Also correlating studies is Mrs. Ledwith's second graders. They have been studying about their community. The school bus is scheduled to take them to visit the police, fire, and postal departments in addition to the library and city hall.

Students of Mrs. Black's fifth grade, room one, have organized themselves as the "Helper's Club." The officers are as follows: Carla Gomes, president; Wadeana Watkins, secretary; Rita Goodrick, vice president; Joan Snyder and James Bennett, treasurers; Corry Patton, sergeant-at-arms; and Joan Snyder as club reporter.

NEW ARRIVALS

"He Was Rejected" Vista Grande Topic

Howard Patrick McConnell, minister of the 101 Vista Grande Avenue Christian church, announces that he will speak at the 10:55 worship service Sunday morning on the theme, "He was rejected." This is the sixth in a series of pre-Easter sermons.

The Sunday school, with classes for all ages, is at 9:30 o'clock. There is a nursery for both the Sunday school and worship services. Sunday school attendance has increased to nearly 150. Parents desiring to enroll their children in the Sunday school should bring them to the office of the church any morning, or before the Sunday school hour on Sunday. The curriculum includes still and motion pictures.

The Chi Rho group of young people are having a prepared supper at 5:30 o'clock Sunday evening in Fireside hall. New officers will be installed by Dr. McConnell. The CYF meets at the home of Mr. and Mrs. Harold Emmert, 149 Brunswick, at 7:30 o'clock.

Boy Scout Troop 245 is holding a court of honor in Fireside hall Monday at 7 p.m. Parents and friends are invited. The Christian Women's Fellowship meets in Fireside hall Tuesday evening at 7:45 o'clock, with Mrs. Eugene Golden presiding. Mrs. Adeline Tartar is hostess, Mrs. Harold Emmert program chairman, and Mrs. James Yarbrough devotional leader.

The Thursday evening dinner is at 6:30 o'clock. Reservations may be made by telephoning the church office. Food, music, a short talk, and a kitchen band combine to make this week's dinner meeting unusually good, the pastor said.

"Your Hit Parade" Theme Of College City Cub Pack Meet

"Your Hit Parade" was the theme of the unusual and enjoyable musical meeting, complete with singing commercials (Den 6), an orchestra (Den 5), and Liberace and his brother George with his violin (Den 4, planned by the leaders at their monthly planning conference held recently at the home of Dr. and Mrs. Robert Roseberry, 98 Manor drive, San Francisco, and attended by over 200 Cub Scouts, parents and friends of College City Cub Pack 340 in the auditorium at Commodore Sloat school, Darien Way and Junipero Serra boulevard, San Francsico, on Friday evening, March 4, 1955.

Den Exhibits

After viewing the Den exhibits of craft projects made by the Cub Scouts both at home and in their den meetings, "To the Colors" by Den Chief Kenneth Jenkins, the presentation of colors by the Lion Cub Scouts, presentation of awards earned by the Cub Scouts during the past month by Cubmaster D. C. Bryant and Assistant Cubmaster Marshall Goodmanson, presentation of the Class A Streamer and certificate for the outstanding Pack 340 window display at the Emporium in Stonestown during Scout Week by Dr. Clarence E. Butler, "Your Hit Parade" was presented by the eighty appropriately and gayly costumed Cub Scouts of the twelve dens of Pack 340 under the direction of their den leaders.

"Your Hit Parade"

Den 6 sang "Be Happy, Go Lucky," under the direction of Lt. and Mrs. Russell Nance and Mr. and Mrs. William Parrish, and introduced "The Rythmeers" of Den 5, trained by Dr. and Mrs. Lester Krotcher and Mr. and Mrs. Richard Elam. Dens 1 and 2 presented "This Ole House," by Mrs. Gloria L. Marshel, Mr. and Mrs. W. M. Chipman and Mr. and Mrs. D. C. Bryant; Den 3, "Slow Poke," by Dr. and Mrs. Norman Culiner; Den 4, "Mr. Sandman," by Mr. and Mrs. Charles Epstein; Den 7, "The Pirate's Life" from "Peter Pan," by Dr. and Mrs. Herbert Greenhood and Mr. and Mrs. Maxwell Stone; Den 8, "The Naughty Lady of Shady Lane," by Mr. and Mrs. A. Ct. St. Mary Plan Initiation, Poetry Contest

Margaret O'Sullivan, grand regent of Court St. Mary, announces that the last initiation of the current term will be held on Thursday, March 17 at 8 p.m.

Candidates who will be received into the court are: Cora Rogers, Eileen Glynn, Audrey Salladay, Mary Stack, Mary Moran, Veronica Conway, Anna O'Gorman, Mary Casebalt and Lois Noege.

Court St. Mary will participate in the annual national poetry contest sponsored by the Catholic Daughters of America. Students from the Our Lady of Perpetual Help school have been contacted and entries from that school will be judged by Eleanor Mumford, study club chairman and her committee. State winners will be announced at the May conference of the CDA; national winners in August.

Preliminary plans are being studied for the inauguration of a junior court of Court St. Mary. Margaret O'Sullivan, grand regent, has appointed Leslie Linhares, court lecturer as chairman and counselor for this project.

Lillian Wettstein, study club chairman and a group of members will visit the Crystal Springs Home for the Aged on Friday afternoon, March 18.

Village Notes

By Gwin Mitchell

Banks may be very businesslike places, but they have their share of romance—at least Mrs. Gladys Larson, who lives on Midway with her small daughter Carla, thinks so! She plans to be married April 2 to George Pavloff, who, like Gladys, works at the Federal Reserve Bank in San Francisco. Rev. Louis C. Marting, of our Hope Lutheran church, will officiate at the wedding. Gladys' days are full of dreams and plans and all the other things there are to do in getting ready for a wedding, and we'd like a minute out of her busy life to wish her happiness.

Vi and Vince Murphy were proud godparents last week when they attended the confirmation of their goddaughter, Darlene Maguire, at St. Gabriel's in San Francisco. Darlene is the daughter of Mr. and Mrs. Michael Maguire. Mike is an inspector on the San Francisco Police force.

A neighborhood breakfast party, hostessed by Evelyn Toschi, was Sweetwood drive's way of saying goodbye to Peggy Merchant, just before the Merchants moved to Daly City recently. Joining with Evelyn were Eleanor Murphy, Jean Silvestri, Lucille Whitney, Alyce Bird and Iris MacCarthy.

We have been sorry to hear so many reports of Broadmoorites being in the hospital lately, and would like to send get well wishes to Rosemary Coulter, who has had a very long stay and whom we hope is back home again by now and to Martin Rist, who has had to spend some time at UC hospital. Charles Nafe is recovering slowly at home now from a virus attack which had him in the hospital for a while, and Gladys Silva is home after a tonsillectomy. We hope they're feeling fit as fiddles again soon.

The Gordon Feist family and the William Kearney family had themselves a fine time over the recent holiday when they went clamming at Half Moon Bay. A picnic lunch, nice weather and a day out together can spell happiness for any family. The children like it even better when there's water to play in!

Happy Birthday Department: Michael Kearney has reached the ripe old age of 11, with his family present at his candle-blowing occasion; and David Bryce turned 4 years old with a circus party with Ramey Lichtenberg, Barbara and Margot Disque, Tommy Orlich, Susan Klopstock, Mikie Sattel, Dorothy and Carol Irvine and David's brother Mark all sharing in the fun. Highlight of the afternoon was the movie shown—a favorite treat for any group of children. David is also proudly attending nursery school, after waiting for a tonsillectomy to get out of his way!

You can't get around much with a sprained ankle, so Bobby Ellis is finding out, but it won't last forever, and books, puzzles and television can help the time pass. Herewith a special up-and-about wish for Bobby!

Bradford Beck made his appearance not so long ago at St. Joseph's hospital, and liked it so well he's still there! He's doing fine, but he only brought along 4 lbs. and 4 oz. to start with, so has had to wait awhile before coming home. The Bertram Becks will be happy to have him home as quickly as possible, particularly as he is the First Baby! Congratulations!

Just getting in under the Leap Year gun were Dolores Helmer and Jim Mackintosh, who had birthdays on February 29. We'd like to wish them a belated greeting, even if this is one of the birthdays which you don't count! And Edith Warmoth had a Day, too, which she celebrated by being taken out to dinner at Ricky's Town House and to a late show afterwards. That's the kind of birthday celebration that appeals to nearly every wife and mother!

Heard a first-hand report on the Liberace concert, which was really more like vaudeville, it seems—being entertaining, amusing and musical. Liberace was much better in person than on TV, and his pleasantness was constant and sincere, a point in favor of any entertainer.

Was glad to hear from Lillian Wililams the other day that she was feeling better and better after her operation, though it will take a while yet for her to get back to being able to do all the things she used to do. After 10 days in a hospital, it felt wonderful just to be back home, and she is very proud of husband Don and daughter Bonnie for doing such a wonderful job taking care of the housework and son Donny. Small brother Earl paid a visit to his aunt and, while he had a good time, is glad to be back home with mother again.

Four seems to be a favorite age—Nancy Mitchell picked it for her own for the next year, and had a party at her home on Washington street with Craig Dalzelle, Marc Duste, David Subke, Claudia Frye and brothers Jimmy and Jeff as guests. Mother Alice made a candy house for a table centerpiece which was really something, we hear!

The welcome mat is out in many neighborhoods for new families who have chosen our town. The Peter Alba family on 87th street, Miss Winifred Senn on Sweetwood, the Irving Leazers and their five children on Sweetwood and Mr. and Mrs. Josefa de Ramos and their son and daughter on Manila are some of the new friends you'll be seeing around. We'd like to add our welcome, also, and the hope that they will all be happy living here.

Girl Scout Troop 150 took a weekend trip to Sonora in search of snow lately and, after they got there, had to go on to Pine Crest before they could find any! Once they found it, they lost no time enjoying themselves, especially when it came to having a sleigh ride—although Eunice Irvine, Gracia Krueger, Liz Foster, Marie Pitts, Bertha Girard, George Lewis and Frank Foster went along to keep an eye on things, the girls planned and cooked their own meals and did all their own housekeeping, and did very well at it, too. Of course, there was the small matter of salt in the baked apples and a breakfast which became rather involved but, on the whole, things were fine! The group entertained themselves with songs and folk dancing and made their own popsicles as extra treats. And they all got up in time to attend an 8 o'clock church service, too. Troop 150 can be proud of itself.

Maybelle Bried is the North County District Chairman for the Cancer Drive which will be starting April 1st, so if you meet her coming and going and find her on your telephone one of these days, you'll know why! Seriously, it's a very worthy cause she's working for, and a chairmanship during a drive is never easy, so help her out when you can.

We went to the second of our Community Concert series last week and saw a lot of friends and neighbors enjoying it, too. The H. Z. Weibels, William Nyes, Cec Pinneys, Mayo Bryces, Frank Tanners, Bob Millers, Gene Brieds, Allan Moris, Henry Krauses and Martin Berlins were there, and we noticed Lorraine Lee, Marianne Freiberg, Kay and Judy Logan, Ann Janes, Dolly and Janet LePine, Elsie McLaren, Sabina Fairbanks, Charlotte Spruiell, Jean and Janet Cyr, Maryanne Read, Ruth Fisher Lyle Cuykendall and Mrs. Thomas Bocci Sr. among the audience, too. There were many of the younger set there, also, who kept the brothers Manuey quite busy after the program signing autographs. In case we missed anyone's name, we are truly sorry, but the intermission wasn't quite long enough to cover all the territory!

Speaking of the concert, a pre-concert lasagne dinner was enjoyed by the Gene Brieds and the Hy Leinenwebers at the home of Bob and Marian Miller . . . a good way to start a pleasant evening.

The Irvine family was glad to welcome the head of the house home when George came back from an inspection trip to White Sands Proving Grounds at Las Cruces, New Mexico. A very interesting part of the country!

Newest member of the Earl Detert family is Marcus Damien, who joined brother David and sister Melissa recently. With 7 lbs. 10 oz. as a starter, Marc promises to be quite a boy if he keeps up with his present appetite! Note of interest: the second name of Damien was chosen because St. Damien is the patron saint of chemists, and with father Earl, two aunts and an uncle all being chemists, it was a logical choice for the young one! Prior to taking care of her three children, Mrs. Detert used to teach English in the San Francisco schools, including the Home of the Good Shepherd, a detention home for girls.

If you have been thinking our weather is cold, here's something that will change your mind: in Calgary, Alberta, Canada, the thermometer thinks nothing of dropping out of sight in the 20 degrees below zero territory! Del and Keith Horsefield, niece and nephew of Sabina Fairbanks, have been visiting with her recently. They came south by train through Vancouver, Seattle and Portland, with stopovers along the way, and flew back by plane, combining business trip and vacation. Back home, Keith is vice president of Millwork Distributors, Ltd. He and Del live on a small farm and raise sheep for a hobby. They would be good candidates for the Broadmoor area—with 4 girls and a boy.

We came across this in a book the other day and would like to leave it with you as a thought for the week:

"So many gods, so many creeds,
So many paths that wind and wind,
When just the art of being kind
Is all the sad world needs." (Author unknown)

ANGUILLO WINS SECOND TEAM ALL-PAL SPOT

Jefferson High school varsity landed one lone player on the All-Northern Peninsula Athletic league selections announced last week by Peninsula Sportswriters association.

He was Ron Anguillo, a senior who played at the guard post for the third-place Indians. Anguillo was given a spot on the second team of the mythical cage aggregation.

Honorable mention for varsity play went to Center Wes Yates, whose late-season re-bounding ability kept Jeff in the thick of things. Yates also developed as a fair point-maker as the season progressed.

In the lightweight division, the Jeffs also placed one man on the second team. Senior Rich Gonzales, play-maker and set-shot artist for the Jeff 30s, won the honor.

Larry Pottenger, sophomore who proved valuable in late-season play, won an honorable mention post on the 30s.

Capuchino and San Mateo dominated the varsity first team.

Bearcats placed Larry Kahler and Dave Mathis, while Jerry Bachich and Roger Solen won posts for Capuchino. South San Francisco's Dean Prince rounded out the honorary first five.

Test First Club Today Vs. Balboa

The Jefferson High school diamond will be setting today (Friday) at 3:15 p.m. for what Coach Lou Martin says will be the unveiling of his first team in action.

Ace Lowell Creighton will go after his fourth win in as many starts against Balboa, while the Bucs are expected to throw in their top chucker, Bob Evans.

With both pitchers on the stingy side, today's contest is expected to be decided in the hitting department. Several long-ball hitters have already been uncovered on the Jefferson roster, and Balboa will be extended to avoid their second straight defeat at the hands of the Indians.

Next Tuesday the Jeffs meet Polytechnic at the local field, and travel to Big Rec diamond the following day to attempt to reverse their only loss of the season against a powerful St. Ignatius nine.

Starters for today include: Creighton, pitcher; John Murphy, catcher; Bob Bailey, 1b; Ino Patron, 2b; Al Figone, 3b; Ken Smith, ss; Bob Gaggero, lf; Rich Guisti, cf; and Bob Grubb, rf.

Jeff Diamondmen Show Rally Ability

Coach Lou Martin's Jefferson High school baseball club demonstrated a "come-from-behind" ability the past week as they stretched their practice game record to five wins, one tie and a single loss.

Trailing, 7-2, against Galileo here Tuesday going into the sixth inning, the Jefferson hitting machinery went into action to bang out seven quick runs on five hits, capped by a pinch-hitter Lowell Creighton's bases loaded double, to tip the Galileans, 9-7.

The Indians, beginning to polish their batting attack into shape, nicked Gallileo for 13 safeties. First-sacker Bob Bailey established himself as a hitting "heavy" for the Jeffs as he swatted out a terrific four for four.

Gaggero, Murphy Get 5

Also proficient in use of the big stick were standbys Bob Gaggero, left-fielder, who got three for four, and Backstop John Murphy, two for three. Al Figone, third-sacker who just shed his basketball togs three days earlier, managed two bingles in four tries, making up somewhat for his three miscues.

Ray Vuillmainroy looked good in handling the pitching chores, allowing six hits and striking out three. Figone's bobbles hurt Vuillmainroy in the third inning, when Galileo picked up five runs on three hits.

The Jeffs retaliated again Wednesday to gain a 6-6 tie with Washington, after trailing, 6-4, in the sixth. The contest in the seventh was called because of darkness, although Martin said it was merely because the recreation director wanted to close Rossi field.

Tex Prentice and Rich Watso shared mound duties, Prentice allowing six hits in five innings and Watso giving up two safeties in his stint. Both registered one strikeout. Prentice had to be pulled because of wildness, his big trouble spot.

Bailey Again Hitting

Bailey again had on his hitting shoes, getting a triple and a double in four trips to the plate. Gaggero, likewise, came through with two for three, one a triple. Bailey and Gaggero put their three-baggers back to back in the seventh to gain the tie for the Jeffs. The Indians picked up a total of six hits.

Masterful Creighton handcuffed Balboa Friday with five hits as the Jeffs rolled up a 7-1 victory. Creighton turned in 10 strikeouts, about average for him to date, extending his record to 27 SO killings in 21 innings.

Gaggero power out a 400-foot ground rule double with the sacks full to account for two of the Jeff runs. Murphy tagged the ball for a double and a single in four trips, to rack up two of the Daly City's club's six hits.

Creighton had control of the situation throughout, and was given some elbow room in the third inning when his teammates pushed home five runs on three hits, topped by Gaggero's big double.

Creighton himself picked up a clutch single, as did short stop Ken Smith and Bailey.

Still Need Talent For Intermediate Club

OLPH Suds junior team, prepping for the upcoming Catholic Youth Organization league, turned in a double win over St. Brennan's in practice games held Saturday at Jefferson High diamond.

Dick Reese pitched the Suds to their win in the opener, 5-2, striking out eight batsmen and allowing only three hits and no walks.

Suds took the wind-up, 16-6, behind the pitching of Billy Whalen.

Whalen also led his team at the plate in the second contest, banging out a pair of triples. Paul Clima homered in the second game.

The Suds meet St. Brennan's again Sunday at Marchbanks, starting at 11:30 a.m.

Roster on Coach Lowell Creighton's juniors team, 12-year-olds, includes: Barry Krohn, Georgie Claus, Whalen, Clima, Jeff Pearlman, Reese, Mike Kennedy, Dave Gehre, Jimmy and Johnny Sarro, Don Cubic, Johnny Vinal, Fred Burger, John Brush, Jimmy Ambrose, Olin Craig and Nick Santa Maria.

Harry Krohn is assisting Creighton in coaching the juniors, while Paul Tapia aids Creighton with the 10-year-old team now being organized.

Walt Gillies, tutoring the intermediate team, 13 and 14 year olds, said he is still in need of more talent. Youngsters interested in signing-up may report at Marchbanks at 1:30 Sunday.

CYO league play will start in April in all three divisions.

WILDCATS CINCH BROADMOOR PLAY WITH SEVENTH WIN

Last Second Charity Gives Bobcats Victory

Ron Berry's free throw with three seconds to go in the contest gave Bobcats a 32-31 victory over Hawks in Broadmoor Youth Association Basketball league action at Jefferson High school last Thursday.

Berry's one-pointer capped an uphill battle by the Bobcats, who had trailed, 17-11, at half-time. Wayne Moon and A. Howard tanked 11 apiece for the winners, while George Muller had 10 for the losers.

Wildcats cinched first place with a 22-19 win over the Demons. Dixie Howell bombarded the hoop for 15 points to lead the victors. Bill Dougherty's five was high for the Demons.

Wildcats now have a 7-1 record, far-outdistancing the second-place Bobcats, who have four wins, four losses.

In final night of play yesterday at the high school pavilion Wildcats met the Hawks and Bobcats squared off with the Demons.

MANNERS AND MORALS AT CENTER

Manners and morals at Daly City's community center have become subjects for debate in past weeks.

Monday night attention was directed to use of "distilled spirits" at the local building. The council's answer: Absolutely no booze in the jernt.

Also topical Monday night, as well as in recent meetings, is the holding of "promotional" events at the center in which pursuit of profits is involved, i.e., Our Lady of Perpetual Help church Men's Club boxing shows, held each month, and Holy Angels church's recent professional wrestling shindig.

Rec Director James Mason says, "Character building activities come first in allocating use of the center." Other events, listed in order of priority, were: activities involving school-age children under adult supervision; adult education; and lastly adult activities on a social level or not relating to any of the previous requirements.

This last category, I suppose, would include church sponsorship of pugilism and grunt and groan fare at a buck a head.

Richard Liberty, president of OLPH Men's club, feels his group is not only promoting a worthwhile, wholesome event for the participants and spectators, but feels the profits are only a means to a highly laudable end.

He points out that, "This type activity typifies all that is fine in American youth. Teenagers witnessing these contests can perhaps profit by the good, clean sportsmanship demonstrated."

He doesn't imply that a good stiff belt in the puss is better than a YMCA picnic, but nevertheless, he does feel the amateur bouts are strictly "simon pure."

BOY SCOUTS ON THE PROFIT SIDE

On the profit side, Liberty says, "These funds are used almost exclusively for sponsorship of local Boy Scouts, Cub Scouts, kids basketball, baseball and football teams and any other worthwhile activity we feel merits support, regardless of faith."

Confronted with the mayor's contention that such activities "are taking recreation time away from the youngsters," Liberty argues that the court of last resort should be the recreation commission. He maintains the commission will see to it that this "promotional" business doesn't get out of hand and result in the center being tied up 10 or 12 nights a month by vested interests.

Besides, says he, the public will only respond to so much of this athletic stuff. He claims only one or two such sports a month could profit, reminding that "we're here first and are putting on a desirable presentation."

MAKING DOUGH WITH FISTS

We haven't heard yet of a Papal Bull being issued for a four-round main event or a mass said for a 15-bout program, but if the Men's club feels it takes a good evening of haymakers and solar plexis blows to set aside greenbacks for the Boy Scout camporee, then we have to concede that's real initiative.

Anyway, our guess is the council isn't really too unhappy about the once-a-month program. They're just afraid it might be nucleus for a chain reaction.

"We won't state one way or another what center rental policy is until the problem comes up." That's the way Mayor Joseph Verducci put it . . . a good way of saying it isn't a real whizzer of a quandry yet but we'll be standing by ready to blow the whistle if we see any promotional "fouls."

Local Casabamen Among Victims In Massacre By OC

San Bruno A.C., with two Daly City players in the ranks, gave it the "old college try" in the Pacific Association basketball tournament last weekend but it was some well known collegians that led to their downfall.

The San Bruno team was massacred, 82-14, by the Olympic Club, which has a starting line-up with such formidable names as Ken Sears, Jim Loscutoff, Russ Lawler, Ron Tomsic and Nick Romanoff, all college seniors.

Dick Milkovich, former Daly City rec worker, and Byron Van Alstyne, Jeff High coach, played for the unfortunate San Bruno five.

Van Alstyne managed to penetrate the whiz-kid defense for 18 points, to lead his team, while Milkovich got a free throw and a field goal for a three-point total.

FROSH-SOPH ANNEX THIRD PRACTICE TILT

Three wins in as many starts was the record of Jefferson High school's frosh-soph baseball club as they turned in a shutout victory over Burlingame Friday, behind the one-hit pitching of Paul Tapia.

The right-hander struck out eight batters, mainly by employing his fast-ball specialty, and walked only four to give the Indians an 8-0 triumph.

Coach Byron Van Alstyne's frosh-soph team made only one miscue.

Ino Patron wielded the big bat for Jefferson, getting three for four, one a double. The Indians picked up a total of seven safeties in bombarding the Bucs.

PAL action starts next Thursday, with Jefferson playing host to San Jose.

The local FS team was scheduled to meet South San Francisco yesterday. Results were unavailable at press time.

National Guardsmen Enter Local Baseball

Local National Guard unit, L comany, 159th infantry regiment, has become a member of Daly City's class B baseball league. Lt. John P. Creighton Jr. made the announcement yesterday.

SPORTS

Wrestling Championship Decided At Jeff High

Intra-mural wrestling championships at Jefferson High school were decided Wedensday in six divisions.

The finals marked the end of three days of eliminations in which more than 50 Indian matmen competed.

Highlight of the matches was the 175-pound duel, in which Harry Sampson decisioned Ron Riggs, 10-8, after the points were even at the end of the alloted three rounds. An extra round was called, with Sampson getting the edge with a takedown.

Another grueling set-to found Dick Ratoff pinning Gary Ramirez in the third round of the 147-pound division.

Heavyweight Bradley Brown, a transfer from Oakdale High school with two years experience on the mat, had too much moxy for Bryan Hickey, pinning him in the first round.

Amil Toscanelli decisioned Dick Boschero, 8-4, in the 160-pound class.

In the 135-pound match, Jerry Speakman put down Bill Gensel in the initial round. The 127-pound event found Richard Cooper pinning Dan Rasmussen in the second session.

Impressed at the success of the first annual wrestling program, Coach Joe McGrath hopes to expand the activities next year, starting earlier in the season, with hope of entering a team in PAL competition.

Earlier results of the intra-school matches this week are as follows:

Quarter Finals

Heavyweight—Hickey def. Gus Enos; Mike Cloonan def. Doug Jones; Brown def. H. Klein.

175—Thurman Dismuke def. Bill Yahroes; Sampson def. Bob Gregory; Riggs def. Ed Nolan.

Westlake Merchants Sponsor Hardball Nine

Merchants of Westlake have taken over a local hardball team, formerly known as Westlake Homes, Manager Jack Ingles announced this week.

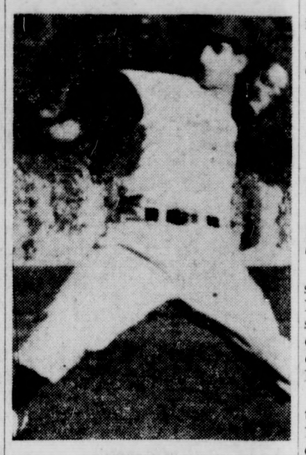
Ingles said Harry Krohn, former pilot of the Sarto A. C., will coach the Westlake Merchants nine.

Sunday the local club was topped by Flying Chicken, 7-4.

Ingles is in the market for pitchers and one outfielder to bolster his present roster.

Mossi And Tribe Due Here March 25

Local baseball filberts and Don Mossi followers will get probably their only chance of the year to see Daly City's talented Cleveland



Don Mossi

. . . A Local Preview

Indian left-hander in action on March 25 when the Tribe meets San Francisco Seals at Seals Stadium.

Mossi, now in training with the American League champs at Tuscon, Ariz., won six games for the Al Lopez crew in his rookie year. He pitched only in relief roles. This season Mossi is expected to make the starting ranks, travelling with the illustrious chucking crowd of Early Wyn, Bob Lemon, Mike Garcia and Art Houtteman.

Name Cloonan, Rector Jeff Track Captains

Jim Rector and Mike Cloonan, four-year letterman on the Jefferson High school track teams, were named co-captains of the 1955 squad Monday.

Rector is Jeff's outstanding distance runner, while Cloonan is leading weight man for the Indians.

GOLDEN GLOVES HERE THURSDAY AT CENTER

An army of 125 hopeful amateur boxers will weigh in at the Daly City community center on Thursday afternoon prior to the holding of the 31st annual Golden Gloves competition.

Conducting of the elimination matches at the local center marks the first time that the amateur listic extravaganza has been held outside San Francisco.

The bouts will replace regular monthly fight program sponsored by OLPH Men's club, but all proceeds will go to the local club.

No less than 15 and possibly 20 bouts consisting of three two-minute rounds will be held.

Entries include personnel from all the Armed Forces plus youths from all leading Bay Area athletic clubs. Winers in Thursday's ring outings go on to the quarter finals March 24 at Winterland, and successful pugilists go from there to the semi-finals March 31, also at Winterland. Boxers who weather the test to this point then journey to Kansas City for the national finals.

Matches for Thursday's card will not be known until that afternoon, being drawn by lottery.

All boxers, whether competing in the eliminations or not, will weigh in at Daly City.

Admission prices are the same as those prevailing at the regular monthly presentations, $1.50 for ringside, $1 for general and 50 cents for juniors.

Bob Lynch, promotion manager for OLPH, said the 400 ring-side ducats have already been sold out. He anticipates a record crowd of between 1000 and 1100.

Officials will be named by the San Francisco boxing commission. First bout starts at 8 p.m.

Jeff Mermen Hopes High In B Class

Weak in the varsity division but sporting a potential championship B team, Coach John Ivan's Jefferson High school swimming team opened Peninsula Athletic league competition yesterday against San Mateo.

Main hope for the varsity is letterman Ray Lippert, holder of the 100-yard backstroke school record at 1:11.

Also bolstering the unlimited club is Roger Saunders, only other returning letterman, whose forte is the 100-yard free style.

Ivan has several outstanding prospects in the B class, including Phil Delucchi, 100-yard breast stroke PAL champ in '54 who has bested league record for that event this year; Dick Rasor, who has been racing Delucchi to a dead heat in practice meets and who has already broken the 52.8 school record for the individual medley several times; Bobby Saunders, letterman specializing in the 50-yard backstroke and medley relay; Bob Galindo, who has turned in good times in the 100-yard free style and is pegged as anchor man for the medley relay team.

Ivan is also optimistic about his potential in the B diving events, placing his hopes on Andy Ruelas, Joe Marshall and Jack Green.

In the C division, Jeff is undermanned, having only four swimmers.

Next Thursday the Indian tankmen compete against Burlingame at the Panther pool.

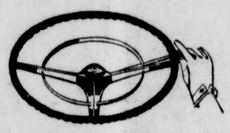
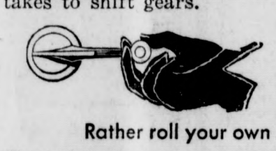
Are you a "Do-It-Yourself" Driver?
Or would you rather be waited on hand and foot?

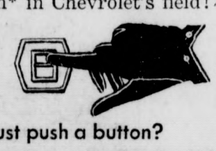


Rather shift for yourself . . . or let Powerglide do it?
Shifting's smooth and easy with Chevrolet's new and finer Synchro-Mesh transmission. A flick of your wrist is all it takes to shift gears.

Powerglide, too, is better than ever this year. Even smoother and sturdier. It's the most popular automatic transmission* in Chevrolet's field!



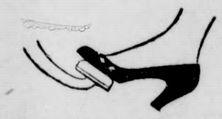
Rather roll your own . . . or just push a button?
Chevrolet gives you separate crank controls both for windows and ventipanes. It's one of many extra conveniences in Chevrolet's Body by Fisher.



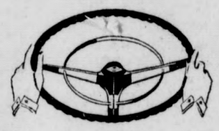
Your fingertip adjusts all four windows with automatic window and seat controls.* Are available on all Bel Air and "Two-Ten" models.

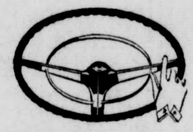
Position the seat yourself . . . or let electricity do it?
Chevrolet's big, beautifully upholstered front seat moves up and forward or down and back into your most comfortable driving position.

No worry about your battery in a new Chevrolet. It's the only car in its field with the reserve power of a 12-volt electrical system!



Apply the brakes like this . . . or have power make it easier?
Improved brakes and new swing-type pedals make stopping a cinch. And Chevrolet's exclusive Anti-Dive control gives you "heads up" stops!
Chevrolet Power Brakes* are better than ever this year—let you stop by a simple pivot of your foot from accelerator to swing type brake pedal.





Want standard steering . . . or extra-easy Power Steering?
Try this easy new Chevrolet steering. Only Chevrolet and some higher-priced cars use a ball bearing system to cut friction to a minimum.
There's nothing quite so easy as Power Steering, of course. Good news: Chevrolet's new linkage-type Power Steering* carries a reduced price!

Automatically—
Chevrolet's stealing the thunder from the high-priced cars!
What's a high-priced car got that Chevrolet hasn't? Not automatic power features. Not style—just look below. Not performance—just try out Chevrolet's new V8 or one of the new 6's. Not ride—perhaps the thing that will surprise you most is Chevrolet's fine, solid feel on the road. Come put it to the test. See how Chevrolet's stealing the thunder from the high-priced cars in *every* way!
*Optional at extra cost.
